

On behalf of the Global India Venture Capital Association, it is our great pleasure to invite you to an exclusive event. This will be a rare opportunity to meet, greet and hear from two eminent panel members, Mr. Raj Judge from the USA and Mr. Neville Dumasia from India. Their experience, expertise, depth and wealth of knowledge from their accumulated wisdom will be the centerpiece of our subject.

"Corporate Governance and Compliance in the Current Environment"

Speakers:

Mr. Raj S. Judge
Partner
Wilson Sonsini Goodrich & Rosati

Mr. Raj Judge, partner at the prestigious Silicon Valley law firm Wilson Sonsini Goodrich & Rosati plays a key leadership role in the firm's India practice with a focus on corporate and securities law for technology companies. Raj regularly advises venture backed start up companies, mezzanine level companies prior to their IPOs and well established public companies. He is acknowledged as the expert counsel to many US and India companies. Raj has also advised SEBI and the Clinton administration.

Mr. Neville M. Dumasia
Executive Director and Head, Governance,
Risk and Compliance Services
KPMG, India

Mr. Neville M. Dumasia is the Executive Director and the Head of Governance, Risk & Compliance Services at KPMG India. Neville brings thought leadership and 17 years of experience in assisting several large organizations to achieve their pursuit of becoming best in class. His key strengths include advising companies in the governance journey, internal audit, risk management, operational performance improvements, forensics and Sarbanes Oxley compliance. He is on the Board of Governors of the Institute of Internal Auditors of India.

Corporate Governance, Compliance and Responsibility is the current critical subject for debate. From the GIVCA perspective there are important issues (role of the board, auditors, shareholders etc.) to address and learn for venture capital funds and private equity firms in India. Our expert panel will provide critical insights followed by active Q&A session.
