

GIVCA in partnership with KPMG cordially invite you to participate and attend a round table discussion on a timely and a very important subject

## All Eyes on India 2nd Quarter 2010 Growth Rate of 8.8%

- A review of opportunities in India
- The emerging new Indian tax structure, the Direct Tax Code (DTC) and its implications
- Other recent updates including the Vodafone tax situation

Kindly mark this date: **Tuesday, September 21, 2010 at 5:00pm**

Please register by clicking here, **RSVP (Limited Seating)**

This critical discussion will address the key tax implications of this new direct tax code and their potential impact on pe, vc and companies conducting business in India including effect on deal making, alternative structures and current india pe/vc scenario.

We are delighted to welcome two senior tax expert partners from KPMG India as our speakers. They will analyze and pinpoint critical items in the new India direct tax code with an introductory insight and perspective from Mr. Arun Kumar, leader, KPMG US-India practice.
